to look up and live
And our best to
always give
No good things

Look up and live my sister
He gave us life more abundantly
so look up and live ∴*

love our brothers and sisters
And our enemies,
to love them too
Do good to them

when he shed his blood
hung his head and died
now he reigns on high

Lord, I know I've been changed
Lord, I know I've been changed

The angels in the heaven gonna sign my name

Went down to the rivers of Jordan
The water was chilly and cold.
The water chilled my body
But the water didn't chill my soul

116. Heavenly Father

Heavenly Father
God of righteousness
We are hungry
for Your holiness

Lord of mercy

We bow down
and seek your face

Lord, we worship you
for the rest of our days

There's no other
that could ever take your place
You're the master of it all
You deserve the highest praise

No more cryin' there...
No more dyin' there...

Oh, should there be any river we must cross
Should there be any mountains we must climb
God will supply all the strength that we need
Give us strength till we reach the other side

...and He washed my sins away!...
...But we all shall meet again on the other side...
